Ejercicio: Configurar un espacio Genie de IA/BI (opcional)

Creamos un espacio nuevo

Seleccionamos las tablas

Pregunta a genie

Data Science tiene la calificación promedio más alta

El departamento con la calificación promedio más alta es **Data Science**, con una nota promedio de **8.18** sobre 10, basada en 5 inscripciones y 3 estudiantes distintos .

Le siguen **Mathematics** (7.83) y **Computer Science** (7.32).
